CALIFORNIA PROPOSITION 65 STATEMENT

To Whom It May Concern:

This letter is in response to your request for information concerning substances known to the state of California to cause cancer or reproductive toxicity.

The fruit juice concentrates and oils supplied by Florida Bulk Sales, Inc. are all “natural” substances with little processing involved. Florida Bulk Sales, Inc. hereby confirms that none of the substances listed by the State as a possible cause of cancer are added to any of our products, nor are said gums allowed to be exposed to these substances while on the premises.

All of Florida Bulk Sales, Inc. products meet Food and Drug Administration (FDA) requirements and/or are listed as “*generally recognized as safe (GRAS)*.”

Florida Bulk Sales, Inc. has an on-going program of testing all raw materials to ensure that our products meet our specifications. These testing results are currently supplied to you in the Certificate of Analysis that is sent to you with each purchased lot.

If you have any further questions, please contact me at your convenience.

Very truly yours,

SM Nolan
