

## Lot Numbering System

Florida Bulk Sales Inc. lot numbers are eight or nine digits in length and consist of two parts, the lot prefix, and the tracking number. The prefix is a three- or four-letter code that corresponds to a product type. The tracking number is a five-digit number that uniquely identifies the lot in question.

**ORC36879** (eight-digit example)

**ORC**36879 corresponds to orange juice concentrate.

ORC**36879** is the tracking number applied to this lot.

**MACL36883** (nine-digit example)

**MACL**36883 corresponds to mango juice concentrate clarified.

MACL**36883** is the tracking number applied to this lot.
